

Emily Tjan, HBSc
MScBMC Candidate

Emily graduated with an Honours Bachelor of Science from the University of Toronto in 2021 with a Specialist degree in Comparative Physiology and a Minor in Chemistry.

She is currently a second year student in the Master of Science in Biomedical Communications program offered through the Institute of Medical Science in the Temerty Faculty of Medicine at the University of Toronto.

For her Masters Research Project, she is working with Dr. Bassett and The Dalglish Family 22q Clinic team to create a patient-centred animation to help patients with 22q and their caregivers better understand 22q.
