

Sarah Malecki , MD

Resident in Internal Medicine

Sarah Malecki is an internal medicine resident at the University of Toronto and has been working with Dr. Bassett for the last 7 years. She completed her BSc in Psychology and Biology at Wilfrid Laurier University, and MSc in Cellular and Molecular Medicine at the University of Ottawa with a specialization in Bioinformatics. She was also a respite support worker for children and adults with developmental disabilities through the Victorian Order of Nurses (VON) before completing her MD at the University of Toronto. Her research interests include studying genetic factors in the development of multimorbidity and complex diseases (e.g. obesity, type 2 diabetes) in young adults.
